FIGHTING BLACKHEADS?

SNAP
FACIAL CLEANSER
REALLY WORKS!

And no wonder! A doctor writes: "The best wey to prevent blemishes is to prevent blackheeds . . . Essentially it boils down to regular degreasing of the skin, and this can best be carried out with frequent washings with a special skin soep."

SNAP is a speciel skin soep containing fine cleensing greins of imported pumice that deep-cleanse your pores, rolling awey the excess oil and soil that cause blackheeds and pimples. Discover for yourself how SNAP can help you win the battle of the blemieh! SNAP really works.
